

THSeeds - Burmese Kush

Or as we like to call it: BuKu™.

A quick flowering O.G. Kush™ hybrid (7 weeks), that has that signature O.G. Kush™ flavor and strength. The flavor of the BuKu™ has a distinct citric edge that everyone enjoys, but growing it, is the part everyone enjoys best. Quick flowering time and a low leaf-to-flower ratio make the BuKu™ the perfect plant for small, highly productive growrooms.
