

Reeferman Seeds - Love Potion

2004 Cannabis Cup Winner - Best Sativa and Best Herb Overall

Love Potion #1 is an outstanding hybrid of G-13 and Santa Marta Colombian Gold backcrossed with the original SMCG male. It's sweet and skunky piney lemony goodness that will blast you into the sativasphere soaring high clearly cutting through anything that was smoked before. Great SOG and SCROG plant.

*sensitive to light leaks in the flowering room indoors, make sure the room is completely dark in the night cycle.
