

## Bionaire - ground fan

Honeywell/Bionaire ventilators are known for their quality design and ease with which they move air. These top quality air circulators that are designed to last. Significantly more powerful than an equivalent size oscillating fan, Honeywell fans are available in 2 sizes: medium 36cm and large 45cm.

Their unique design means that they create a constantly circulating vortex of air for overall much greater air movement than an equivalent oscillating fan. All Honeywell/Bionaire fans are supplied complete with wire blade guard for extra safety and robustness - perfect for a busy grow room.
