

Pump - RP 9500

The RP range of submersible pumps from 3000 - 18000 lt p/h are robust and reliable, perfect for delivering water or nutrient solution to plants via drippers or sprinklers. Very popular in the Netherlands the RP pump offers very good value. A great pump for a good price.

The RP 9500 is good for irrigation systems and will be strong enough to deliver to 200-250 drippers or 100-150 sprinklers.
