

Bio Bizz - Pre-Mix

Biobizz have been developing and producing soil mixtures, fertilisers and additives particularly for organic cultivation since 1992, making Biobizz the oldest and most experienced supplier of organic fertilisers in the Netherlands. Since Biobizz launched their range of products, many have tried to imitate but have never reached the same quality.

Pre-Mix Is a dry fertilizer comprised of 100% natural ingredients derived from organic matter, rock meal and trace elements. This microbially active blend was formulated to guarantee vigorous growth, abundant flowering, and maximum resistance to disease and fungal attack.
