

Grinder - Nano 2

Welcome to the world of nano, this extremely small and light weighted grinder puts a smile on every ones face. It includes all of the mixnball typical features such as the new alligator grip enhancing structure which will support the grinding comfort, and the completely new rebound shape which increases the grinding pressure without using more power.

As it weights only 15 gram and has a diameter of 31mm, it offers top quality grinding on a smaller scale. Good as a give away, perfect as a keep! Small, efficient, nano!

Comes with a bottle of purilizer grinder cleaner.
