

Book - Big book of Buds

Gathering information directly from breeders on several continents, The Big Book of Buds explores the top 100 buds, giving the reader a full sense of this plant's wonderful diversity. Combining outstanding color photography, descriptive text, and icons for quick reference, each variety's unique combination of traits is presented in detail. Essays and stories appear throughout, reporting on the global marijuana scene, breeding and botany, and the art of enjoying great cannabis. 214 full-color pages.
