

Book - Marijuana Success -2

This second volume in the 'Marijuana Success' series expands its reach into the great outdoors with advice on camouflage techniques and harvesting, plus how-to articles on outdoor hydroponics and late season gardens.

Rosenthal goes beyond cultivation set-ups to more advanced topics, with tips on variety selection and gender bending for breeders, and an interview with a primo hash maker for secrets on making fresh leaf water hash.

Collaborating with Heads magazine in this large-format book, each chapter features ample photographs as well as sidebars and bold graphics that highlight key information.
