

Grinder - Futurola

From the people who brought you the Futurola the new super Futurola Grinder. This grinder makes mixing and cutting loose your herb a very easy job. Top Quality for an unbeatable price, you won't find in anywhere else on the web, we are the exclusive dealer of this awesome gadget.

The durability of this grinder will amaze you. The fiber plastics (based on space technology) are so hard that you won't get a scratch on it, while it's still very light and portable.

And don't forget, because it is made of this material you can easily wash the grinder without having rusty nails in your grinder and it won't have any smell to it. Hey, you can even put it in the dishwasher!
