

Kern - TCB Pocket scale

Pocket scales, they do exactly what the title suggests, the only scale to fit in your pocket. Designed for jewellers and chemists for weighing fine items and powders, where traditional bench or laboratory scales are not available.

Convenient and easy to use and at prices to suit any pocket. You won't pay a single penny more for the pocket calculator that Kern have integrated into the practical lid of our best selling pocket balance. Now you can make direct calculations quickly and conveniently. Capacity Range: 0 - 1000g
