

## Dutch Passion - Blueberry®

Our Original Blueberry is a mostly Indica (80% Indica, 20% Sativa) strain, that dates to the late 1970's. A large producer under optimum conditions. A dense and stout plant with red, purple and finally blue hues, that usually cure to a lavender blue. The finished product has a very fruity aroma and taste of blueberry.

Blueberry produces a notable and pleasantly euphoric high of the highest quality and is very long lasting. Medium to large calyxes. "Blueberry" has a long shelf life.
