

Sensi Seeds - Jack Herer ®

The cream of the crops and perhaps the most exquisite ganja you will ever encounter; this strain ranks as the most awarded variety in the history of harvest festivals. Nine awards and counting would be the pinnacle of recognition for any strain, yet Jack Herer manages to go a step further and bears the distinction of being distributed under prescription by Dutch pharmacies as a recognised variety of medicinal-grade cannabis.

Sensi's champagne of strains is named in honour of Jack Herer, author of *The Emperor Wears No Clothes*.
