

Sensi Seeds - Shiva Skunk ®

The Lord of Bhang is one of many titles given to the Hindu deity Shiva, and it's said that he discovered the amazing properties of cannabis while meditating amidst a stand of ganja plants. Of all the gods, Shiva is most frequently seen to enjoy cannabis in all its forms and many of his devotees imbibe hashish as a sacrament. As the most powerful of the Skunk family and thus among the most potent Indica-dominant strains ever made available, Shiva Skunk is named in honour of the Lord of the Dance.

Shiva Skunk was an instant hit when released as NL#5xSK#1 in 1987.
