

Barneys Farm - Morning Glory

This 2002 Cannabis Cup winning sativa/indica mix from Barney's Farm is a cross between true-breeding Hawaiian Sativa x Afghani x Skunk.

Huge buds form on long stems over a 10-week flowering period.

It's an outstanding producer with a strong, earthy taste – soaring sativa head and the thump of a good indica. A all-round good high. Powerful, compact and full of resin; this is a real gem for all growers.
