

Barneys Farm - Laughing Buddha

Taking 3rd place in the 2003 Cannabis Cup, Laughing Buddha from Barney's Farm has a long flowering period which develops an intense spacey high with a distinctly powerful sweet and spicy aroma.

This award-winning marijuana is an exotic, almost pure Sativa plant, with a very fruity aroma and an intense Sativa high. It grows fast, tall with white fluffy buds, stretching during flowering and may need pruning or bending.

The finished plant develops large heavy colas dripping with sativa trichomes.
