

Rolltray - T3 deluxe

The Original Rolling Tray T3 - Deluxe Golden Maplewood is the perfect lounge area rolling tray. It has masses of room with four storage compartments, including one underneath the removable rolling V block, which is secured in place by two medium-strength magnets.

A must-have item to impress your guests, the removable V block allows you to roll away from the tray itself, and of course there is a Kingsize or Kingsize Slim paper holder built into the underside of the lid.

Expertly crafted and with a far higher quality finish than previous wooden rolling trays, this is possibly the most useful and best looking rolling tray ever created.
