

Rolltray - T4 deluxe

The Original Roll Tray T4 – Deluxe Golden Maplewood is the daddy of the Original Roll Tray collection. Unlike other Original Roll Trays, the T4 has a sifting compartment for extracting the very best out of your material, and a latch, lock and key mechanism to help you keep everything safe and secure.

It has all the features of the other roll trays, including large storage compartments for all the accessories you might need for rolling. The lid also has the Kingsize or Kingsize Slim paper holder built into the underside, and the magnetically attached and removable V block has a removable compartment beneath it, leading to yet another compartment.

Expertly crafted and with a higher quality finish than previous wooden rolling trays, The Original Roll Tray T4 – Deluxe Golden Maplewood is a magnificent accessory for any serious smoking enthusiast
