

Rolltray - J1

J1 is the smaller in the series making it the perfect portable, open-top roll tray.

This high quality wooden tray will sit comfortably on your lap whether you're at home, in the car or outside. Not only does it have ample room to keep all your rolling essentials tidy and close to hand, but it also spells the end to those wasteful spillages on the carpet, or the grass, or the floor of your car! It has two obvious storage spaces (one of which has a sliding lid whose handle niftily doubles up as a holder for your papers!) and a sneaky, hidden compartment underneath the "V" block.

The J1 is lightweight, compact, and perfect for anyone on the move, and it's great for just sitting in front of the telly. It's an ideal present for any smoker..
