

Eutech - Eco Testr pH 2

From the market leader of testers comes the **EcoTestr pH 1 & pH 2** - a new range of value-for-money, quality pH tester series designed for fuss-free pH measurements. Accurate, and easy to use, these testers are ideal for quick pH checks in hydroponic gardening, aquaculture, agriculture, pools, simple lab work and other water/wasterwater applications.

Specifications

- * 0.0 to 14.0 full pH range
- * Auto-calibration & auto-buffer recognition
- * Automatic temperature compensation
- * IP67 waterproof – tester floats on water for easy retrieval
- * Long sensor life – no need to change sensors
- * Click-lock battery compartment requires no tools for battery replacements
- * Hold function freezes reading temporarily for ease of recording
- * Sensor protective cap that doubles up as a container for samples or calibration solution
