

Positronics - Jack Diesel

Positronics **Jack Diesel** comes from two pillars of the Cannabis world that crossed together and produced a variety that reaches and exceeds the origins. The strength of one of the most popular hybrid in the world, Jack Herer, added to the power of the legendary NY City Diesel.

A strong and vigorous plant, with a growing pattern typically Indica that becomes Sativa at the time of flowering. When enlarges its lateral branches are filled with large numbers of little but strong satellite buds resin coated around the magnificent central cola. It's **cannabis seeds** produces an aroma with complex tones of noble wood, with hints of flowers and fruit.

Jack Diesel generates a powerful high strongly psychoactive, those much sought after by lovers of the Sativa. At the beginning it seems relaxing, but quickly becomes exciting. Jack Diesel needs a large tank for the developed root system. Very important to control the pH of water daily irrigation.
