

Smartshop - Kiwiland

Welcome to the Kiwiland Smart shop, where you can find just about everything to pump you up and give you a happy warm buzz right from Energizers, Hallucinogens, Powders, down to smoking blends and natural sedatives.

Get high with NXT phase - Yellow: Hyper NRGetix, the natural stimulant to give you all the energy that you need to party all night long. Charge offers unparalleled legal highs, and it's been one number one product across the global markets, so you should certainly try it out!

Pineapple Express is our newest smoking blend that comes with a sweet pineapple fragrance, and yet the fuzzy high that you'd have never experienced before. Recovery is another specially formulated blend that replenishes all your minerals and vitamins after a night-long party.

High quality hallucinogens can take you on a ride to places that you have never been before. People keep tripping all the time on low quality shrooms and what not, whereas the right way to trip is to plan it out and then have all the fun you want.

So, what are you waiting for – get high, and enjoy a euphoric lift that can take you to places with our Energizers, Hallucinogens, Smoking Blends, and powders!
