

Barneys Farm - Critical Kush

Barneys Farm Critical Kush developed by Barney's Farm Team, an unusual blend of fine genetics, very famous Critical Mass and OG Kush. This is a powerful and extremely vigorous indica plant, yielding huge amounts of beautiful stoney kush. Flowers in just 8 weeks indoors and grows medium height with great flower-to-leaf ratio.

Take pleasure in its sticky feel, aromatics sent, crystal-covered buds and knockout- stoney high. The kush taste is unmistakable and the yield per plant phenomenal. This new hybrid is a significant advance in modern marijuana breeding. Its indica- dominant nature makes it ideal for relaxation, pain relief and late night smoking.
