

Kiwiseeds - Phat Freddy ®

Big yielding mainly indica hybrid, made from the finest we have! Our Cannabis cup winning Mt Cook was used in this cross together with a super 'Hash plant' male renowned for its high THC content. Super quick flowering times and huge yields of quality flowers can be expected.

The short stature of this plant makes it just perfect for small spaces, tents, or scrog technique. Cuttings can be put into flower (12 hours light/12 hours dark) as soon as they've been rooted a week.
