

Southseeds - White Widow

White Widow is one of **Southseeds best** varieties of recent years. These **Cannabis** plants are white washed with **THC** glands, even on big parts of the fan leaves. This is truly an amazing sight if never witnessed before.

With a surprisingly very soft smoke and a great high, **White Widow** has been very heavily pushed into the Dutch commercially by the **Cannabis** market and is available in coffee shops all around Amsterdam. **White Widow** a very well known *strain* with an extremely high **THC** content and invigorating high.
