

Barneys Farm - Peppermint Kush

Stella Blue X Nepali Kush

We are excited to finally introduce from Barney's Farm Stella Blue a dynamic and exotic new hybrid. Crossing our Stella Blue with our spicy Nepali Indica results in a truly beautiful must have experience.

The aroma and punch of taste is delicious. The authentic pepper of Stella tempered with the minty after taste of Nepali Kush is irresistible.

The plant grows medium height with a beautiful array of colours. Lovely dense colas develop on each branch, and produces a great yield of wonderfully seductive aromatic cannabis.
