

## Devils Harvest - Rollex OG Kush

Rollex OG Kush is strong and hugely popular indica which grows like a sativa; tall and thin, so make sure you leave enough time and space for it to properly flourish. It can flower late, even into October in the outdoors.

Rollex OG Kush is a hybrid of OG Raskal's White Fire plus a Kuchi male. This resulted in one of the strongest mixes we have come across to date. Loaded with a high THC count, this OG Kush strain is one to take you off your feet after a long day.

In 2013, Rollex OG Kush exploded on the scene and took home a 1st place victory in the annual and highly coveted High Times Cannabis Cup Amsterdam. This success continued in 2014 when it again scooped 1st prize, this time in the High Life Cup.
