

Devils Harvest - Chiesel

New York City Diesel x Big Buddha Cheese

Two favourites meet in this powerhouse strain: the NYCD mother crossed with a BBC father. Flavour and effect are the two points of focus here, with the heady citrusy Diesel perfectly rounding off the pungent spacey Skunk sister. The Cheese shortens the traditional nine to twelve weeks usually required to finish the Diesel; roughly nine to ten weeks of flowering delivers a devilish batch of buds, sure to entice the taste-seekers out there.
