

Devils Harvest - Dazy Jones

Trainwreck x SourDiesel x Thai backcross ChemDaze

World-famous Trainwreck is lovingly mixed with the classic Sour Diesel and finished off with a healthy dose of Thai in this high-yielding variety. Dense resinous flowers are accompanied by little foliage, leaving more ventilation to protect against mould and mildew. Commercial producers as well as connoisseurs will appreciate the complex layering of flavours and trainload of crystal-covered colas. Dazy Jones flowers in just eight to nine weeks and responds well to sea of green cultivation; a greenhouse is recommended for outdoor growers battling short flowering seasons.
