

Barneys Farm - Bad Azz Kush

Bad Azz Kush is a strain created from breeding a true Indica ancestry and has its history in pre 98 lineage Los Angeles. Bad Azz started life from specially selected breeding by our friends in L.A. over years of careful and persistent work. Crossing the Original OG with Afghan Kush and from there crossing with Urkel and enjoying every step of the way. Bad Azz Kush is the final result. Bad Azz Kush is a heavy resin producing strain. The plant can stretch in the flowering period and will need some space for enormous colas to develop. Unique dank and subtle forest fruit aromas. Named after our friend and Rapper Bad Azz from Tha Dogg Pound Gangsta Crips (Thank you Jamarr).
