

CBD Crew - CBD Sweet and Sour Widow

Aroma description:

Distinct but pleasant body odor with a sour onion fragrance.

Overall description:

A CBD enriched White Widow strain, this grows vigorously during the vegetative stage and on flowering produces slightly airy flower clusters, which end highly resinous. The airy start to the bud formation makes this strain more suitable for humid areas where more compact plants would suffer from mould. This strain has a distinct but pleasant odour with a sour onion fragrance.
