

## Humboldt - OG Kush Auto

This amazing strain has rapid vegetative growth and long internodal spacing. Good light penetration allows for rock solid flower development all the way to the bottom of the plant. Finishing around 1,2 meters at the 75 day mark, staking is recommended as this strain tends to stretch more than any other. Complex flavors with strong, dominant pine cleaner and petrol overtones accompanied by citrus and pepper undertones. Powerful cerebral effects followed by a couch locking body high.
