

## Humboldt - Lemon Thai Kush

Lemon Thai Kush by Humboldt Seeds is a big plant that grows like a tree and produces huge crops of very sticky buds. This strain is a heavy one, both because of the amount it produces and the strong effect it displays, which makes it a good option for commercial growers and hobby growers alike.

Taste of cedar and pine, mixed with lemon and black pepper, are the features of that nature wonder, one that is used mainly by experienced users looking for strong effects.
