

Serious Seeds - CBD-Enriched Warlock

New limited edition cross created in a collaboration with House of the Great Gardener from Canada. A beautiful blend of Warlock and CBD-rich Cannatonic. The Warlock used for this cross is a favourite medicine among the patients of the Vancouver Island Compassion Society (=VICS). The aim was to develop delicious medicinal strain (contains more than 4% CBD) with sweet and fruity aroma but with a less strong psychoactive effect. The production of very flavourful medical extracts (e.g. Rick Simpson Oil) and lotions or edibles is made much easier with this strain. CBD Warlock is exceptionally well suited to people with Chronic Pain, Multiple Sclerosis, Epilepsy, Tourette-syndrome, Glaucoma, Arthritis and many more.
