

Vaporizer - Dr Dabber Boost

Dabbie is a portable e-nail and bubbler, designed to deliver powerful dabs of extracts and vapor oils in seconds, wherever you are.

Even if you are a beginner or an experienced vaporizer user, the Dabbie will satisfy your needs and will provide you an outstanding experience while inhaling dense vapors of concentrated legal oils and extracts. It has a classic, delicate design that comes together with a quick and easy way to function, with an amazing performance that reaches a temperature of 304°C (580°F) in just 20 seconds!

Powered by a disposable 18650 battery that can be conveniently charged by micro-USB, the Dabbie includes a cushioned metal flight case that protects it while traveling so you can enjoy it wherever you go.
