

G.Y.O Collection - Double Alien 18

The OG #18 x MMG x The OG #18

The Double Alien 18 is a re-worked version of one of our underrated champions Martian Kush. We took a select pheno of our Martian Kush and backcrossed her into the champion maker herself, The OG #18. Double Alien 18 takes more of the Martian flavor out of this cross and adds an incredible amount of The OG #18 flavor. The growth structure will however resemble the MMG as Double Alien 18 grows shorter than all OG #18 hybrids and finishes with a rock hard full bud of OG with just the very subtle hint of MMG only to be found on the exhale. This super strong hybrid brings our 5-year project to a end. What was once thought to finish at Martian Kush continued to become the relentless future Champion Double Alien 18! This is what makes breeding so fun!
