

## G.Y.O Collection - White Alien

MMG x White Widow (Ingemar cut)

White Alien is a F1 hybrid cross of our Cannabis Cup Sativa Champion 2005 Martian Mean Green and the classic original White Widow. Great yields and frosty resin covered buds are easy to get from White Alien and beginners love this strain!

Large dense buds provide heavy yields and the leaf to bud ratio is so low that trimming time is shortened significantly. White Alien is a sativa dominate hybrid that can be used at night or in the evening and not keep you awake. The genetics are what they are 60% sativa and 40% indica but the effects are more like 70% indica and 30% sativa.
