

Extravaganja - Body Milk

Moisturizing Body Milk is the finest combination of hemp seed oil, shea and cocoa butter that is easily absorbed by the skin. The mixture of fruit extracts replenishes the lost moisture, while natural ethereal oils of vanilla, rosewood and sweet orange provide you with a delightful aromatic experience.

The natural additives of grape seed and rosemary oil present additional protection from aging and oxidation. Our body milk is suitable for everyday use, after showering, sun tanning or simply just because!
