

Extravaganja - Body Oil

Hemp oil is easily absorbed by the skin, due to the body friendly ingredients. It instantly releases tensions, increases the natural resistance of your skin, and helps to improve dry and sensitive skin. The mix of the best mediterranean olive and almond oil helps to regenerate and protect the skin whilst the vanilla oil gently soothes it. Extravaganja Body Oil is suitable for all kinds of massages and aromatherapies. It also contains natural UV factor protection.
