

Extravaganja - Hair Shampoo

Natural nutrients in hemp seed help make your hair stronger and are excellent at revitalizing it and protecting it from daily stress. The fatty acids in hemp oil, similar to those in your body, moisturize your scalp, prevent dryness and reduce dandruff.

Extract of mango refreshes and improves the structure of your hair. You will quickly notice the difference with softer, stronger and healthier looking hair. Extravaganja's Hair Shampoo is suitable for everyday washing of all types of hair.
