

Sylvania - SHP-TS

The bulb Sylvania SHP-TS, is a light bulb with an orange color, that perfectly imitates the summer sun and will result in a full bloom.

The SHP-TS has a very powerful brightness, and it is quite noticeable when using bulbs growth and flowering separately. So if you want to improve your production, get a SHP-TS Sylvania and give your plants a lighting exclusively for bloom, they will thank you with the best buds.
