

Pura Vida - CBD Infused Teas

Pura Vida Chamomile CBD tea

is hand-picked and sun dried in Croatia. Chamomile is a daisy-like herb well known in folk and traditional medicines for its health, cosmetic and nutritional benefits.

Darjeeling Tea

is grown in the misty foothills of the Himalayas at an altitude of 6000 feet, natural minerals in the soil is what makes this tea superior in taste flavor, naturally. Cannabis Teas have been used in India & China for almost 5000 years, also called "Bhang" in India. Traditional recipes include the use of other spices to enhance the natural benefits of drinking this tea. Turmeric, coconut oil & milk, cinnamon, cardamon, nutmeg, laurel leaf and honey for sweetness.

Hemp CBD Tea

Luxurious and naturally grown Hemp tea from the hills of Croatia. Sun-kissed, hand-picked and lovingly cared for with farming techniques passed down through the generations.
