

## THSeeds - La S.A.G.E

La S.A.G.E. is an amazing selection from our regular S.A.G.E. strain and a Skunk Sam male from seed. The result is true Hybrid 60% Sativa/ 40% Indica. It produces dense flowers and is covered in resin at the end of flowering. Its first entry into the Cannabis Scene came when it was entered in the Bio-Cup which was judged by the likes of Shanti Baba and Howard Marks a.k.a. Mr Nice. It won 1st place right away. The following summer it was entered at the Iron Cup in the Basque country and won 2nd place for Sativa. Then it tested the highest THC of all entries at the last High Times Cannabis Cup in Amsterdam. Three entries- three wins- La S.A.G.E is the ideal plant for all the Sativa lovers who like to also get good production.
