

Bio Bizz - Try-pack Indoor

The Try-pack Indoor, which includes three products that will be useful for our indoor marijuana cultivation, in a reduced format, which will allow us to fertilize between 1 and 4 plants.

It is also a good way to get to know and test these products, to draw your own conclusions on the ground and assess whether they fulfill all that they promise and if they meet your needs.

Features of Bio Bizz Try-pack Indoor:

Bio Bloom - 250 ML

Bio Grow - 250 ML

Top Max - 250 ML
