

Grinder - Easyleaf Electric Grinder

Made from sturdy ABS plastic material this grinder is a pocket sized herb grinder for the guy or girl on the go. Designed to be a simple twist and go action loading the grinder is easy. Twist the cap off pull out the blade and drop your herb into the chamber. Holding the grinder with the chamber pointing towards the ground, you twist the top and the blades whirr into action. The cunning blade design finely chops your herb and allows pollen to gather in the cap of the grinder.
