

Magic Flight - Glass Stem

Magic-Flight's Glass Draw Stem gives you a unique vaping experience in both its polished appearance and its utility. It serves to cool vapor before it is inhaled, and can be cleaned easily with a pipe cleaner and rubbing alcohol. With this custom-made Glass Draw Stem, you will be able to visibly follow the thermal expansion of vapor as it fills your Launch Box and makes its way toward your lips.

Your purchase includes:

- One Glass Draw Stem
